Western Auto Store Celebrates Its Grand Opening This Week

Yesterday—Thursday—marked another milestone in the progress of Pahokee when the Western Auto Store, under the ownership of Art Ford, celebrated its grand opening. The store is located at 128 North Lake Avenue and was recently purchased from James L. Moore by Mr. Ford.

Mr. Ford pointed out that his store will operate on friendliness and service to the customer. Mr. Ford said: "It seems today that stores have taken on a strictly commercial outlook. I want my store to be more than a place to spend money. I want it to be a place where the entire family can shop and receive high quality merchandise at a price they can afford."

The famous Western Auto "Satisfaction guaranteed or money back" policy will apply to all items in the store, Mr. Ford said.

Mr. Ford is new to Pahokee. He lived in Miami for the past nine years with his wife, Jewel (Judy), and their two sons, Glenn, senior at Clemson University in South Carolina, and Ricky, a senior at Pahokee High School. Previously Mr. and Mrs. Ford and sons were from South Carolina. The family is now residing at 2587 S. W. 14th Terrace in Pahokee.

In Miami, Mr. Ford was a building contractor and Mrs. Ford an Insurance Underwriter-Secretary. Western Auto in its beginning was a store devoted to motorizing goods and services. However, realizing the need for a "family" store, they have increased their lines to include car, home, farm and recreational needs.

"Actually, we have over 16,000 items to choose from," Mr. Ford said. "We don't have what the customer wants in stock, our catalog order service will make it available without delay from a nearby Western Auto warehouse."

Mr. Ford further said: "You know, most people don't realize how a store like Western Auto can sell quality merchandise at such a low price. It's possible because there are over 4,000 Western Auto outlets. This means we buy in larger quantities and sell at a lower cost. I'll make money through volume sales, not higher prices! Actually, this was my reason for choosing Western Auto for my store. We offer guaranteed quality merchandise at a price to suit the average pocketbook."

Alliance For Safety Meet Today

MIAMI, (FNS) Alliance for Safety, a summit meeting on traffic safety, will be held in the DuPont Plaza Hotel, Miami, on Friday, October 14. Allen Boyd, U. S. Undersecretary of Commerce, and Broward Williams, State Treasurer and Insurance Commissioner, will be guest speakers.

The meeting, first ever held in Florida, is a cooperative effort to deal with the problems of traffic safety on a regional basis. State, county and city legislators, mayors, the clergy and top officials from service organizations and the insurance industry are expected to attend.

Alliance for Safety is co-sponsored by the Dade and Broward Committees for Traffic Studies (FACTS), and the Citizens Safety Council of Florida. Its goal is to evaluate traffic safety problems in Dade, Monroe, Collier, Broward and Palm Beach counties and to offer package legislation aimed at reducing accidents and traffic fatalities. It is hoped that, as a result of such legislation, auto insurance rates also eventually will be lowered.

The five-county safety drive will serve as a model in accident prevention procedures in other sections of the state. It has already been proposed that similar meetings be held in the Tampa-St. Petersburg area and in Orlando, Jacksonville and Pensacola.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out *for* freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS
